Fees & Charges
Schedule "G" – Planning Services

Note:

1. All application fees are intended to cover internal administrative and processing costs. Application fees and deposits are required prior to processing of an application and must be paid in full.
2. All deposits are initial deposits towards legal, planning, engineering and/or other external costs. The applicant is responsible for all external costs and development accounts will be set up to track all file related costs. The Applicant will be invoiced accordingly for any costs that exceed the deposit on account and/or will receive a refund of any unspent deposit when the development account file is closed. The Township reserves the right to suspend all internal and/or external activity on a planning application when a development account is in arrears and an Applicant (or Owner) fails to top up the account within 30 days of a written request by the Township.
3. Zoning Maps are available online.
4. All applications may be subject to further deposits and/or payment amounts based on file activity.

Note: Taxes not included in the fees and charges. Please add applicable taxes where necessary.
